HPC Around the World Presentation Materials Upload Form
following stage 1 of atw101

⚠ Required fields are shown in red, with an asterisk (*).

Please upload your final presentation material until **June 6, 2025**.

All materials submitted will be available to registered conference participants only within our event platform Swapcard and NOT publicly accessible.

For any questions, please send an email to mareile.gruen@isc-events.com.

Your presentation has to be in 16:9 and should be saved in PowerPoint 2019 (or lower) or PDF.

The ISC Group title slide should be included at the start of your presentation and cover the slide fully.

Most modern video formats are supported, for example all standards (*.wmv, *.mpg, *.avi), that can be played from standard MS Windows 10 installed computers with Windows Media Player. Additionally, MOV, DivX, MPEG-4 und H.264 video formats can be played, too. If you have embedded videos in your presentation, please ensure you have all of your linked file folders on your USB. Macintosh users are requested to bring a converted version of their presentation.

Technical Equipment
The conference rooms include a projector, a screen, microphones, a presentation computer (with MS Office, LibreOffice, Adobe Acrobat Reader, Firefox), Wi-Fi and wired Internet access.

For technical and efficiency reasons, we kindly ask you to use the presentation computer provided in the room.

If you need to present from your own laptop and/or have any special technical requirements for your presentation, please let us know by Monday, May 12, 2025 at the latest. Macintosh users are asked to bring their own HDMI adapters.

Presentation Slides Upload

Please upload your final presentation slides (max. file size 300 MB) for your presentation. This file will be shared with the technician on-site. When you arrive for your presentation, your slides will be ready and prepared for you.

Please note that we cannot guarantee the correct display of company-specific fonts that may not be installed on the presentation device. To make sure your slides look their best, please use standard fonts like Arial or Times New Roman. Or, you can upload a PDF version of your PowerPoint.

Presentation Slides Upload*

Warning: submitting this file near the deadline may require you to calculate an MD5 checksum. ℹ

Publication of presentation slides in Swapcard

If you consent, your presentation slides will be provided to ISC 2025 attendees via the digital event platform Swapcard. The slides will be available to registered conference participants only and will NOT be publicly accessible.

I agree to the publication of the presentation slides within the event platform Swapcard.*   ○ yes   ○ no

Conditions governing content submitted to Prometeus GmbH in connection with ISC 2025

Please read our submitter/speaker conditions carefully.

I understand and agree with these submitter/speaker conditions.*   ○ yes
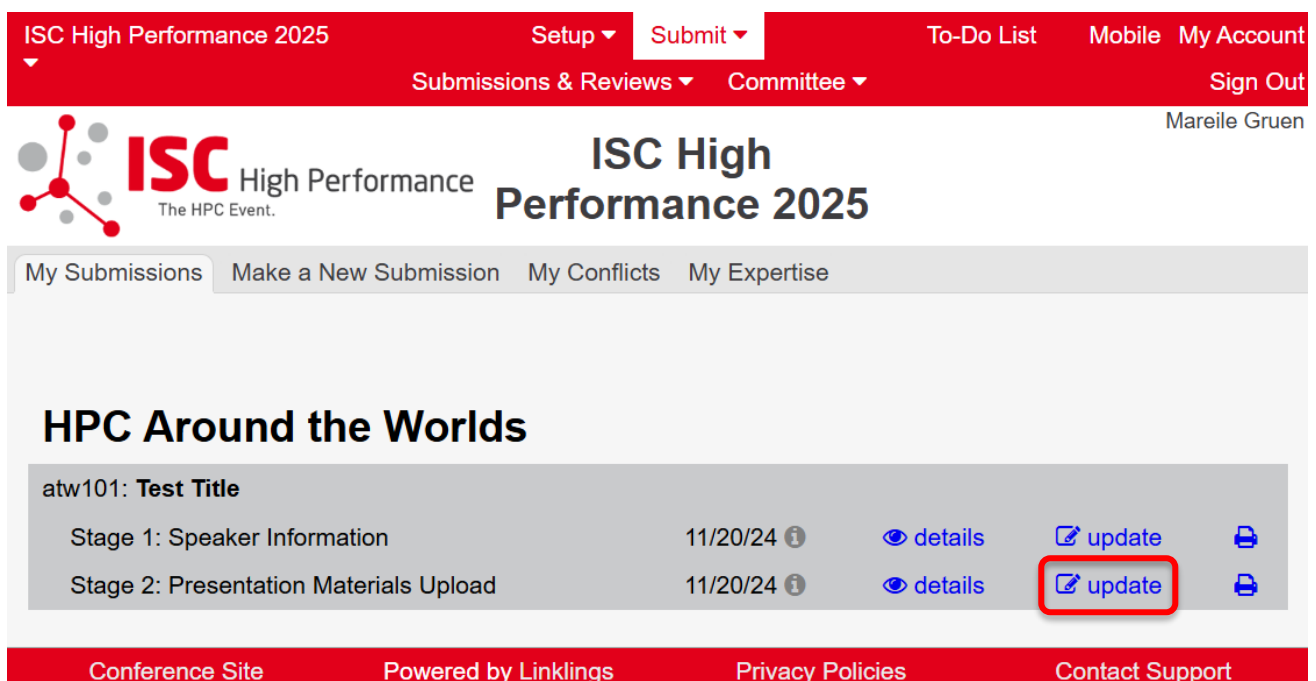

Important Notes

- When you submit the form, wait to see if any errors are reported. If errors are not fixed, it will not be counted as submitted.
- A confirmation email will be sent to you when this submission has been received; keep this email as a receipt. If you do not get this email, it is likely that your submission has not been received. Verify that you can see it on your "My Submissions" page, and if not, resubmit. It is your responsibility to confirm that the submission has been received.
- You can update this submission until submissions close.

Found 3 errors. Click to see first one.

[Submit]   Cancel

STEP 5: After submitting your video, you will receive a confirmation email.

STEP 6: In the Linklings portal, you will be forwarded to the "My submissions" page after submitting your HPC Around the World slides. You can update your submission by clicking "update" next to the respective submission.

STEP 7: After updating your submission, don't forget to click "Submit" to submit the updated materials.
